

## ***PROTECT N&S – A Cross Border Initiative***

**David Williamson** PROTECT N&S Project

**Summary** The PBNI and PWS have joined together to establish a cross border project under strand 5.2 of the PEACE II EU funds. The Project aims to contribute to the process of peace and reconciliation through improving community safety. The article outlines the thinking behind the Project, its implementation and proposed actions as well as looking at how the two services might work together in the future.
